

# Tour Tuesdays

10:00-11:00 AM

Free Family Programs

## One-Room Schoolhouse July 9th, 2019

Ring, ring! Better hurry, the school day is starting in our Bohannon Schoolhouse. Join us to experience a typical school day in 1901: practice your arithmetic on slate boards, play vintage games, and more!

Corner of Preston and  
West Campus

## Moon Landing July 16th, 2019

Take "one small step" over to our moon landing program on the 50th anniversary of the Apollo 11 launch. Learn about the first astronauts to walk on the moon, their journey through space, and the technology that took them there and back.

## Feelin' the Music July 23, 2019

Come jam in our new Hands-on Music Gallery and explore the fundamentals of music. Learn how music is made around the world and the instruments that create it. Participants will also go home with a homemade instrument.

## Habitats and Homes July 30th, 2019

Why do ducks have webbed feet and eagles have talons? Join us to learn about animals' habitats and the adaptations that help them survive. Test your knowledge in our habitat-matching challenge, compete for resources in a game of survival, and create your own insect.

Free parking in Lot 14,  
South of Rowe Hall
